Coordination of Notified Bodies – Notification of the next date for the Horizontal
Committee meeting and document related to the revision of the PPE directive

Ladies and Gentlemen,

Further to the Horizontal Committee meeting last week, we have checked possible meeting dates for the next meeting in January 2013 with the Administrative Secretariat.

Please note that the next Horizontal Committee meeting is now scheduled for **24th - 25th January 2013**.

The meeting of the Vertical Group Convenor meeting and the Article 11 Ad hoc group meeting will be held in the afternoon of the 23rd January 2013 and the morning of the 24th January 2013 respectively, subject to confirmation.

In addition, please find attached a copy of the presentation of Dr. Michael Thierbach, PPE desk officer, which he used under agenda item 17 during his presentation about the revision of the PPE directive.

Yours sincerely,
